MEMORANDUM FOR: Director of Communications

SUBJECT: CRITIC Requirements

Your memorandum of 17 November 1958 on this subject has been discussed by representatives of DD/P and DD/I, who have agreed it would probably be preferable for you to address your questions to the Critical Communications Committee rather than to internal CIA components. If you agree and are willing to have your questions go to the Committee in the form transmitted to us, Mr. Tidwell will be glad to present them to the Committee.
